Call set-up fees: UK Geographic - 6.6p per call. UK Mobile (O2, Vodafone, EE, 3) - 10.6p per call. International - 13.6p per call.

Standard billing increments are to the next full minute and full pence unless otherwise stated.

Non-geographic numbers

Numbers beginning 084 and 087 are general service numbers for contacting organisations. Those beginning 09 are 'premium rate' service numbers.

The cost of calling these numbers is split into two parts:

The access charge – this is what we charge you for connecting the call. Our Access charge is 15 pence per minute

The service charge – this is the rest of the call charge. The organisation you're calling decides the service charge, and must communicate it
